

GMCC ChamberCARE

Affordable health insurance options for small business brought to you by the Greater Madison Chamber of Commerce

The rising cost of quality health insurance is a foremost concern of many Madison area businesses. Small businesses in particular are impacted by rising insurance costs.

In an effort to better meet our members' needs, the Greater Madison Chamber of Commerce created the GMCC ChamberCARE health insurance program. GMCC ChamberCARE was designed by small businesses for small businesses.

GMCC ChamberCARE benefits include:

- Expanded offerings with Dean Health Plan, Group Health Cooperative (GHC) and Wisconsin Physicians Service Insurance Corporation (WPS)
- Quality, affordable health and dental insurance options for small businesses
- Multiple plan choices in order to best suit individual business needs
- Both flexible and traditional plans
- Generic-only drug options
- Statewide network of providers
- Wide variety of plan alternatives including Health Savings Account (HSA) and Health Reimbursement Account (HRA) plan options
- Coverage for businesses with 1 to 99 employees

The GMCC ChamberCARE health insurance program is available exclusively to members of the Greater Madison Chamber of Commerce. For more information on putting GMCC ChamberCARE to work at your business, please contact:
